

Day 5 – Fish and Chips at Hanbury’s

The day started with a walk to school because the bus driver was having a day off. It was cloudy and the temperatures were nine degrees celsius. After school we started our walk to Hanbury’s, the most famous fish and chips restaurant in Torquay. The fish and chips were delicious. Afterwards we „climbed“ down to the beach and had fun there. After we had gone upstairs we had a one hour walk back to the town centre where we enjoyed some freetime in Torquay.
